SERIOUS ACCIDENT.

Frank Page Had Lower Jaw Broken
By Wheel of Wagon.

Frank Page, colored, whose home is near
Tollesboro, met with a painful accident near
the Maysville Brick Company's Yards last after-
noon.

His father was driving a wagon laden with
crozets. Frank was on the wagon, and in
coming down a hill he applied the brake.

The brake gave way and the young man lost
his balance and fell, the hind wheel of the
wagon striking his face, breaking the lower
jaw and crushing several teeth in the upper
one.

Dr. J. D. Davis was summoned and promptly
rendered all possible aid.

While Page's injuries are extremely painful
they are not considered dangerous.

He will be removed to his home today.

BOARD OF TRADE.

TWO MEN HURT.

A Pair of Accidents on the C. and O.
Early This Morning.

Early this morning an extra freight on the
C. and O. was coming into the Yard when Fire-
man Terry Wesley, who was sweeping up the
cab, was struck by the switch stand near
Pogou's Distillery, fracturing his skull.

He was sent at once to St. Elizabeth's Hos-
pital, Covington.

Russell.

A short while afterward Lewis F. Howard,
Yard Brakeman, was coupling cars near the
West End Station, when he was caught between
a car and the engine and his right arm terribly
crushed below the elbow.

He was taken to Dr. J. A. Reed's office,
where the arm was amputated just above the
elbow.

Mr. Howard is single, and lives at Garrison.

SMALLPOX SITUATION!

But a Single New Case in Mays-
ville Since Monday.

Dr. McCormack Will Raise Quar-
antine—Reasons Therefor.

The LEDGER has no object in concealing
the truth, nor could it accomplish the slightest
good for anyone in doing so.

It has pledged itself to report every new
case of smallpox in Maysville, and its loca-
tion, and it will do so, the writer making a
personal investigation if necessary.

But a single new case has developed since
Monday, and not a death since that of Mrs.
Gillam near the city limits on the Fleming
pike, which occurred Monday.

The only new case reported is that of Mr.
Andrew Hunter, Forest avenue near Lexington
street, and it is a very mild one.

The most important "development" of the
past twenty-four hours, however, is the follow-
ing letter from Dr. J. N. McCormack, Sec-
retary of the State Board of Health, written to
Dr. H. K. Adamson, the State Board's
Referee for Mason county—

BOWLING GREEN, Ky., March 23, 1903.
Dr. H. K. Adamson, Maysville, Ky.—Dear Doc-
tor: Your telegram received, but I thought it
better to answer by mail. I have provided a
quarantine at Flemingsburg only for ten days,
in order to give an opportunity for them to get their
people vaccinated. At the end of that time it will
be raised, as it is only a temporary expedient
against smallpox.

I have heard a good many alarming reports from
Maysville, and will thank you to advise me and
keep me advised of the exact situation. I do not
think it necessary to make a personal investiga-
tion, as I am willing to endorse anything that you
do. Please write me fully. Sincerely,
J. N. McCORMACK.

THE LEDGER enters no harsh judgment
against the good people of Fleming; but it
does believe that, if they had known the real
facts, and had been guided by them instead of
by the perhaps wilfully exaggerated reports
that were flying through the air, they would
never have issued the order for quarantine.

SOME VACCINE POINTS.

The campaign liar has been out-herded by
the smallpox liar.

There's nothing new but what isn't true
about the smallpox.

Strange that some people prefer to believe
every idle report rather than investigate and
ascertain the truth.

Dr. McCormack's warning to Fleming county,
to "get her people vaccinated" applies equally
well to every city and county in the state.

If people who are so fond of manufacturing
smallpox sensations would just reflect that they
will be called on to pay a part of the expense,
perhaps they would be more economical in their
use of words.

It was "reported" last afternoon by "they
say" and company that a tenant on the farm of
Mr. Thomas L. Best had smallpox. A
telephone message from Mrs. Best to THE
LEDGER says "there isn't a word of truth in
it."

THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says—
"A newspaper whose columns overflow
with the advertisements of hood
men, gamblers, prostitutes, and others in
attracting attention to and building up a
city or town than any other agency
that can be employed. People generally
are business men, Capitalists, and labor
will locate where there is enterprise
and money to be made, as newspapers
are strong pillars upon which to build
their power. No power on earth is so
strong as that of a well patronized newspaper
and this power should be appreciated."

J. Cartmell extracts teeth without pain.

Regular monthly meeting of the Mason County
Medical Society will be held at G. A. R. Hall
Wednesday, March 25th, at 2 p.m. Essayist,

Most of them the productions of Rochester's best manufacturers. Every
line of them confined to us. The quantities we yearly handle of these goods
enable us to buy them at prices that afford us to sell them at perhaps a shade
cheaper than you have to pay for clothing that does not compare with ours.
You owe it to yourself to look at our Clothing before you buy your spring
outfit.

Our Shirt Stock will be found a revelation. Look in our West window.
Said a gentleman a day or two since who bought them with privilege of re-
turning them if they did not fit. "Mr. Hechinger, I usually have my shirts
made to order, but never was as well fitted as in these." We have such confi-
dence in our Shirts that we sell them on approval. If it unsatisfactory return
them and get your money back.

YOU SOON WILL DISCARD YOUR WINTER SHOES.

Try a pair of our new Douglas or Hanan Shoes. Our stock is now at
its best in both lines. You know we guarantee every pair.

Have you seen Stetson's newest designs in Spring Hats? If you have not

They are applied here and there, everywhere on the costume. Straight band insertions 3 to 10 inches wide are very much in favor, as are batiste effects in combination with laces of all kinds, also novelty laces in Point de Gene and Batiste. Handmade laces of all kinds are more popular this season than ever.

BRITISH VS. AMERICAN BUGLES.

The piercing brassy sound of the British
military bugle as compared with the soft
smoothness of the American trumpet has often
been remarked by visitors to Great Britain.
The British Bugles will be used by the Four
buglers who play at the head of the Kilts
band when they march up town from their private
car, "Heather," at noon on Wednesday,
April 15th, arrayed in their unique regiments.
These buglers alternate with the buglers in
the band's street march, but the musicians do
not carry their band instruments, these being
reserved, of course, for their concerts. The
band will be at Washington Opera-house April
15th.

'Most any state could pay off its bonds and free itself of debt if the people of the whole United States furnished the money, as has just been done in Kentucky's case.'

It was fortunate for Kentucky that there was a Republican Administration at Washington, else Uncle Sam wouldn't have had enough money to pay the state debt of Kentucky.

A JURY at Cleveland, O., has declared that a murder committed by a woman is no crime; and the way the Judge walked into that Jury was equal to an epidemic of Fleming county smallpox.

THE "Socialist" party of Kentucky met in Covington Sunday—on Sunday, mind you!—and nominated part of a state ticket. The only reason they didn't nominate a complete ticket was, there are more offices to be filled than there are members of the party.

There's Nothing Just As Good

The following public statement of a respected citizen adds one more emphatic indorsement of merit to the scores that have appeared before:

Mrs. Phillip Fist of 129 East Fifth street says:

"One son used Doan's Kidney Pills, sold at J. J. Wood & Son's Drugstore, corner of West Second and Market streets, with great benefit. He was troubled with a disturbed condition of his kidneys for a long time, evidenced by backache, brick-dust sediment in the secretions and a tendency to inflammation of the bladder. The use of two boxes of Doan's Kidney Pills proved them to act up to their presentations made for them."

OVER at Oxford, O., they call it German measles; but if it was in Maysville it would be smallpox.

EVEN Hawaii has appropriated money for an exhibit at the Louisiana Purchase Exposition. And there stands the niggardly, narrow-minded Legislature of Kentucky!

WHEN the present Democratic Administration at Frankfort pays off the state debt, it will be fun alive to hear the boasts about superior Democratic financing; but it should not be forgotten that every dollar of the money was furnished by the Republican Administration at Washington.

CHARLES E. SAPP, former United States Collector of Internal Revenue; LEONARD PARSONS, who was a subordinate in the office, and JOSEPH POTONING, an outsider who is prominent in Republican politics, pleaded guilty in the Federal Court at Louisville to charges of violating the Civil Service Laws in levying assessments against employes of the revenue service for political purposes. SAPP and POTONING were fined \$500 each and PARSONS was fined \$200.

SUCCESSFUL LOBBYING!

Cynthiana Log Cabin.

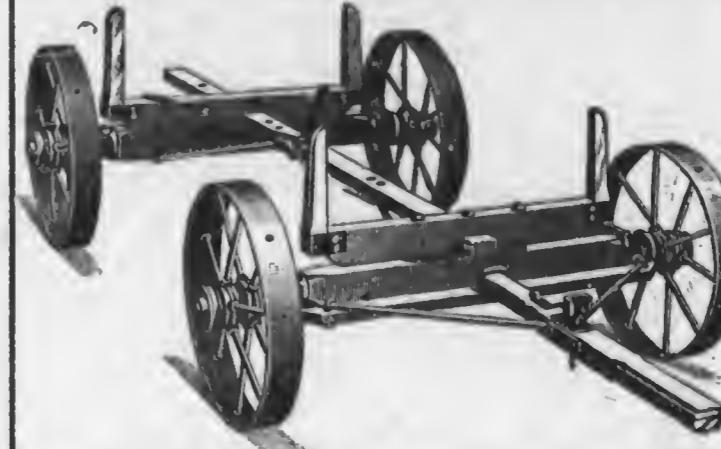

Captain Calhoun lobbied a bill through the Legislature to permit him to receive the enormous fee of over \$71,000 for collecting Kentucky's war claim. The law previously provided that not over \$3,000 should be paid for such fees, but the Captain seems to have stood in with the powers and many legislators voted for the new bill to allow 10 per cent. commission without even knowing they were assisting in a big job.

Oliver

Gave to the world the Chilled Plow. The magical word Oliver is a guarantee of quality.

Mr. Oliver still controls the chiling process that has made the Oliver Plow so famous. Every genuine Oliver Plow Point or other repair has Mr. Oliver's name stamped upon it, and this name certifies that that piece is double chilled and will scour free and last almost twice as long as a part chilled in the imitation way. Notice one peculiarity of an Oliver Plow: Note this well, for it means much to you—An Oliver Point also includes the Cutter. When you put on an Oliver Point you have an entire new cutting surface; you virtually have a new plow. Upon other plows the point and cutter are separate, and you have to buy two parts at double the expense to secure a new cutting surface. Remember this, please: Oliver parts all fit nicely. An Oliver Point fits just as nice as the first one that was put on the plow. Oliver Mouldboards, Standards, Landsides all fit; your Oliver Plow works just as nicely when it is ten years old as it did the first year. We ask you to candidly say if this is the case with any other plow on earth. When you spend your money get all you can for it. The most valuable that a man gets in anything is an Oliver Plow. Oliver Plows are absolutely guaranteed.

Joe James has returned from China, where he has served under Uncle Sam for 3 years.

Mr. James Porter of Plummer's Landing was visiting friends here one day this week.

Mr. Ross Plummer and Miss Minnie Sanders of Poplar Plains visited Mrs. Lucy Doyle and family last Thursday.

Mr. James Doyle and Mr. Squire Lamar are ill with pneumonia. They were somewhat better at the last report.

Two families by the name of Cox passed through here en route to their new home at Thorpe. They were from Bracken county.

Mr. William H. Doyle died March 11th at his home at this place, after a week's illness from pneumonia fever. Mr. Doyle was one of the best citizens of this community. He was in the 41st year of his age and is survived by his wife and three children. The funeral services were conducted from Valley Church by the Rev. C. E. Bartlett, and the interment was in Mud Lick Cemetery.

TOLLESBORO.

Henry Boyd has taken a position in Portsmouth, O.

R. G. Applegate and wife spent Sunday last with J. F. May and family on Poplar Flat.

J. L. Teager, one of our village barbers, contemplates moving to Portsmouth in the near future.

C. E. Teager, who has been spending the winter in this vicinity, is doing photographic work in Ohio and Indiana.

S. L. Lykins, candidate for Assessor, was looking after his political fences at the county seat Friday and Saturday last.

Dudley Middleton went to Cincinnati the first of last week and secured employment as driver of one of Uncle Sam's mail wagons.

Miss Fannie Kelley, an interesting young lady from Mt. Carmel, attended divine service at the M. E. Church, South, here on Sunday evening last.

Hon. R. C. Hanna and Harold Hamrick were in Vanceburg the first of last week, the former viewing the political horizon as it pertains to county Representative.

W. Visscher Burdick of the C. and O. Railway Postoffice, returned to his work on Monday; after a week's lay off on account of an injury to one of his hands recently.

Rev. L. P. Compton of Asheville, N. C., a favorite with Tollesboro audiences, preached at the M. E. Church here on the third Sunday, morning and evening, to a large and interested congregation.

Miss Lettie Gidding is visiting relatives in Illinois. She was accompanied as far as Cincinnati by her sister, Miss Lydia, who has secured a position in the "Athenaeum" in West Fourth street.

Will Bryant and Robert Gidding returned from Portsmouth, O., where they had gone to work during the summer, on Wednesday last. The boys say Tollesboro is good enough for them and work is not so hard.

Mr. W. H. Thomas and wife, Henry Luman, wife and daughter, Miss Nannie, and William Wallingford, wife and daughter, Mrs. Grace Montague, were received in full membership in the M. E. Church, South, Sunday last by the Pastor, Rev. Kidwell.

The L. and M. Normal, which was slightly called the "kindergarten" by a rival school last spring, could very appropriately be changed to We've kinder-got-em this spring. It is undoubtedly the banner school of the county. The second term began on Monday of last week under the supervision of Prof. George Turnipseed, ably assisted by Profs. W. P. King and E.

T. Bowman, with between 70 and 80 bright, enthusiastic pupils, many of whom are from adjoining counties, while others come from Ohio. The faculty is untiring in its efforts to advance the pupils and, which they are doing, make the school a success. Tollesboro is an ideal school town. Its inhabitants are intelligent, hospitable and moral; there are three churches and not a saloon within its borders. We are justly proud of our school and hope for it a largely increased attendance next year.

Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with Indigestion or other stomach disorder.

If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.
